| PRELIMINARY SCHEDULE |
|-----------------------------|

The PRELIMINARY trial schedule for each day can be found below. The final schedule, judge assignments and run order will be determined by the number of entries in each class and may be modified if entry projections are inaccurate. Times are approximate.

This trial will use the REMIND app to provide information to entered teams. Use of the REMIND app is optional. There will also be an information station in the crating area to keep handlers aware of what classes are running.

The detective class will run using a run order. Major workers running detective will be scheduled to run first. A special REMIND group will be used to keep handlers informed.

Lunch breaks will be taken at the judge's discretion.

The general briefing will take place at 7:30 each morning. The general briefing will include a site tour to help those entered navigate the trial site.

NOTE: Briefing times are staggered to allow teams entering dogs at multiple levels time to attend each briefing. The numbers 1, 2, 3 in each day's schedule refer to the order in which the briefings will occur.

NOTICE TO EXHIBITORS – AKC REGULATIONS

It is the responsibility of each exhibitor to read and understand the current regulations for Scent Work prior to participating in this event. All exhibitors should obtain a copy of the Regulations for Scent Work, by downloading them here:
<http://images.akc.org/pdf/rulebooks/RSW001.pdf>

Possession of Odor: Possession of odor should only be by those engaged in the administration of the trial. It is not appropriate for participants to bring odor on to the trial site. Possession of odor at the trial by those not administering the trial is grounds for dismissal without a refund.

Exhibitor's Responsibility: Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds. Please be considerate and leave the area as clean as you found it.

Spectators: Spectators are encouraged where the venue configuration reasonably allows it. The judge's determination of appropriate location for spectators is final. It may be possible for a single individual to accompany a team to video. Any individual serving as the designated videographer for a running dog does so at the sole responsibility of the running team. Interference in the run by a videographer is at the risk of the running team.

Safety, Behavior and Liability: The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The American Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The American Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the American Kennel Club or any official thereof.

Collars, Leashes and Harnesses:

During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times. Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search.

Special training devices that are used to control and train dogs, including, but not limited to, collars with prongs, electronic collars used with transmitters, muzzles, and head collars may not be used on dogs at AKC events.

Ringside:

Judges are not required to wait for dogs. The owner of each dog is solely responsible for having it ready at the search area when it is to be judged. While every effort will be made to ensure all dogs entered and present are run, the club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.
